Department of Chemical Engineering
Term Adjunct Position
Winter 2022 Term

Posting Date:  June 1, 2021
Closing Date:  June 30, 2021

The Department of Chemical Engineering at Queen’s University requests applications from suitably qualified candidates interested in teaching the following undergraduate course in the Winter 2022 Term.

APSC 132 (Chemistry and its Applications)
(Twelve-week course between January 1, 2022 to April 30, 2022)
(Appointment begins Dec 1, 2021 to allow for course preparation, and ends June 30, 2022 to provide for preparation and marking of supplemental exams.)

APSC 132 – Chemistry and its Applications
This full course combines fundamentals of chemistry with the engineering issues associated with them. Areas of study are entropy and the second law of thermodynamics, thermodynamics, chemical equilibrium, electrochemistry, chemical kinetics and organic chemistry. Environmental issues associated with each of these topics will be incorporated into lectures when appropriate.

Qualifications:
Minimum of B.Sc. or B.A.Sc. in Chemical Engineering or a related field. Previous teaching experience with demonstrated student mentoring at the University level will be preferred. Candidates must have excellent communication, organizational, and time management skills.

The course will be taught on campus.

The University invites applications from all qualified individuals. Queen’s University is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal people, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. Academic staff at Queen’s University are governed by a collective agreement between QUFA, www.qufa.ca and Queen’s University.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact Lynn O’Malley, omalleyl@queensu.ca, Department Manager, Chemical Engineering.
To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current *curriculum vitae*, a statement of teaching experience, the names and contact details of two referees, and any other relevant materials the candidate wishes to include for consideration. Applications can be submitted to the Term Adjunct Appointments Committee at the address below, or by e-mailing Lynn O’Malley at omalleyl@queensu.ca. Applications should be submitted by midnight in Kingston on **June 30, 2021**.
